- Bi-directional patented bumps first allows moisture to escape, then absorbs grease & any excess moisture, providing a crispier crust every time.
- Retention value keeps pizza 12-15 degrees warmer upon delivery compared to putting pizza directly in box.
- Allows you to handle your pizza with ease.
- Uses substantially less storage space than corrugated liners and circles.
- Better visual presentation of your pizza.
- Our product eliminates the cardboard taste.
- Branding & Marketing on handles help drive additional sales.
 - Minimum usage is required.
- Made from 100% Premium Paper vs. post-consumer recycled waste.
- Patented bumps help keep pizza more stable in box during delivery.
- Our pizza liners are recyclable, compostable and biodegradable.
- Made in the U.S.A.
